Haute Pets maintains a strict client policy for the satisfaction and safety of its clients. Kindly read the terms below and sign this waiver if you would like to proceed with your groom outlined in the policies below.

#### **Policy:**

Haute Pets groomers have been instructed not to perform grooming services without the presence of the owner during the entire time of the scheduled groom. We understand using a mobile service is supposed to provide convenience. We can accommodate your busy schedule and groom your pet if you agree with the terms below.

1. Assign a representative responsible for making final decisions regarding your pet's grooming service.
2. Understand that the appointed representative will review the services and recommendations for your pet and agree to a final price with our groomer BEFORE we begin the grooming appointment.
